

# 43<sup>rd</sup> Annual Conference

Tennessee Alliance for Continuing Higher Education

## *Eye to the Future: Redefine, Reinvest, Reinvent*

TACHE gratefully acknowledges our Conference Sponsors

### **Interactive Solutions, Inc.** [www.isitn.com](http://www.isitn.com)

More than half a century of staff experience. Five times on the Inc. 500|5000 list of America's fastest growing companies. Clients from small local businesses to the Department of Defense, with an 85% customer retention rate. Since 1996, Interactive Solutions, Inc. has been successfully providing customized, integrated solutions in video conferencing and audiovisual technologies.

ISI integrates the latest components and software into customized systems that connect organizations to their workers and to the world. We deliver solutions in corporate communications, inter-agency communications, distance learning, telemedicine, and more.

We focus on providing the highest quality end-user experience, beginning with the consultative approach taken by our highly trained sales personnel and staff engineers. It continues with service after the sale, from on-site maintenance to telephone and Internet support.

### **323link, LLC** [www.323link.com](http://www.323link.com)

323link makes it just that easy! Even better, we do it with inexpensive hardware, an easy learning curve and compatibility with whatever technologies you are using already. Whether you are an educator, corporate professional, pastor or just have a need to get your message out to the world, we have a solution that's right for you. People are getting information in new ways today. Smart phones, iPods and portable media devices are replacing many of the traditional ways people find out what's going on. Major media outlets, radio stations, corporations and bloggers are increasingly using podcasting to allow their audience to stay tuned in where and when they choose. Getting your message into these new mediums is now very simple and cost effective. Let us show you how!

## Development Dimensions International

[www.ddiworld.com](http://www.ddiworld.com)

Since 1970, Development Dimensions International (DDI) has been helping hundreds of corporations around the world close the gap—between where their business needs to go and the talent they must have to take them there—in good times and tough times.

DDI's experience and expertise in talent management is unparalleled:

- Using our world-class learning systems, organizations are developing more than 250,000 better leaders each year.
- More than 3,200 high-quality hiring decisions are made every hour and 20,000,000+ candidates have been successfully screened using our behavioral interviewing, testing and assessment systems.
- Major corporations make crucial promotion and placement decisions for more than 3,000 senior executives each year using our assessment process—in Singapore, Beijing, London, Mumbai, New York and hundreds of other locations around the world.

The numbers are just part of the picture. In an independent survey of senior HR executives, DDI is at the very head of the list of major talent management competitors in terms of breadth of our solutions, our levels of expertise, the quality of our people and services.

## eInstruction®

[einstruction.com](http://einstruction.com)

Founded in 1980 by Dr. Darrell Ward, eInstruction pioneered the use of student response systems in education with the creation of a handheld “clicker” system called CPST™ (Classroom Performance System™). Today CPST™ remains the leading student response system in education, used by more than 5 million students in K-12 and higher education classrooms around the world.

eInstruction technology gives administrators the ability to instantly capture, grade, report and analyze student performance data. The company offers educators and administrators a family of software, student response systems, interactive whiteboards, mobile interactive whiteboards, and powerful enterprise-based administrator tools. eInstruction's research-based solutions have been shown to increase student engagement and achievement while providing real-time actionable feedback and performance data to educators and administrators.

eInstruction continues to collaborate with the education community to pioneer innovative solutions to help energize, engage, and assess students in learning. Millions of students, teachers, and professors use eInstruction® technology in 500,000 K-12 classrooms and more than 1,000 higher education institutions around the world. Available in more than 40 languages, eInstruction® technology is enhancing education in over 90 countries worldwide.

**East Tennessee State University**  
**School of Continuing Studies and Academic Outreach**  
[www.etsu.edu](http://www.etsu.edu)

**New ONLINE Ed.D. Format!**  
**Post-secondary and Private Sector Leadership**  
**“Preparing Professionals for Leadership and Service”**

ETSU's Clemmer College of Education announces a new online format for the Doctor of Education. The Department of Educational Leadership and Policy Analysis of the College of Education at East Tennessee State University (ETSU) is pleased to offer a Doctor of Education (Ed.D.) degree in three concentrations. Graduates will be prepared to assume leadership roles within their educational communities. The concentrations are:

- School Leadership (SCOL)
- Post-secondary and Private Sector Leadership (PPSL), and
- Administrative Endorsement (ADMN).

The online format for the Ed.D. in Post-secondary and Private Sector Leadership (PPSL) is designed primarily for higher education staff and faculty at community colleges, colleges, and universities.

The curriculum offers the flexibility of ONLINE programming.

- Courses in educational research and theory development
- Individual internship experiences
- A major research project, culminating in a dissertation.

Applications for admission to the School of Graduate Studies may be downloaded from the ETSU website -- [www.etsu.edu/gradstud/](http://www.etsu.edu/gradstud/) For more information about the Department of Educational Leadership and Policy Analysis, go to [www.etsu.edu/coe/elpa/](http://www.etsu.edu/coe/elpa/).

**ACEware Systems, Inc.**  
[www.aceware.com](http://www.aceware.com)

ACEware Systems, Inc. offers non-credit class management and student registration software to Continuing Education and Community Education organizations. Whether you are a one person part-time program, a large university or somewhere in between, our software helps you simplify record keeping, deliver better data to decision-makers, and offer better service to your students.
